

Frankfurt, January 24th, 2007

We are extremely pleased to announce that Andreas Ludolph has joined the Round Solutions team as of Monday, January 22nd, 2007.

Andreas who is an expert in antenna design will support Round Solutions customers to enable them becoming more competitive both technically and economically.

With a first class electronics university degree and more than 15 years of experience in electronics – wireless infrastructure he is more than well equipped to deliver to our customers high expectations.

Andreas is based at our Head Quarters outside of Frankfurt, Germany.
